Copies of the last board meeting was sent out to all members.

Minutes were discussed. Motion made by Dave to accept minutes as read, seconded by Mary.

All agreed and the motion passed.

Treasurer's report was sent out to all members and accepted by all.

Dave questioned ,if we need to have money in reserve in the bank for insurances deductible.

Buddy stated that is not a problem, we now have around \$70000.

Old Business;

Name tags by Mary Schauer was discussed. Mary stated she has 62 orders so far. A discount will be added to the cost which will range from \$4.95 to \$12.95, depending on the type ordered.

Parking lot updates was given by Richard Bryant (club manager). Richard states, that the people he had contacted have been slow to respond. He contacted one other, but still has had no positive response. Not too many responders. Will continue to work on this and report to the board later.

January tournament scheduled for 18, 19, 20th. Richard states the January will have to be moved to February as there is no open dates in January. ACBI would not approve January as other clubs close by have already scheduled. Discussion followed on having an open game or a non-master game. Buddy stated "we had more of a turn-out with a non-master game than we did with an open game". Rick suggested to check in the bridge

magazine for trends with non-master games. In La's sectional, they had an open game and a non-master game.

There was also a letter from another club, inquiring if we would like to be hosting teams to qualify for special games. Question is do they need to qualify? Rick will follow up on this and report back at the next board meeting.

Dave reported the tournament schedule for September is looking good. Will post for food donations etc later. Mary made a point that there was no flyer in the bridge magazine or internet on directions or game schedules.

Jim Crowe made a motion to adjourn, seconded by Dave. All agreed and the meeting was adjourned @4:45pm.

Respectfully submitted by :

Betty OBrien(secretary)
