The minutes from the May meeting were passed out and read. The corrected minutes were accepted by members present. There was no June meeting because there was not a quorum present.

New Business:

- ❖ Lynne Logan moved that the financial report not be recorded in the minutes as the minutes are posted on the internet. Motion passed by members present.
- ❖ Discussion on the finances concerning the ACBL tournament in June at the clubhouse, the Profit and Loss, and the CD
- ❖ Jerry suggested doing something in memory of Malcolm. His name will be added to the Boyce Hollimon trophy. Other options are being looked into.
- ❖ Jerry moved that Lynne purchase a steam cleaner (not to exceed \$200) for the carpet. Barbara seconded the motion. The motion was passed by members present.
- ❖ The cost for 3 large ads, 1 two inch ad, and an ad on their website in the Sun Herald would be \$780.00. The cost for Unit 180 would be approximately \$97.00 after ACBL and District 10 reimburse us for their allowances. Lynne, Anne, Jerry, and Mike made an executive decision to proceed with this as it had to be decided before a regular board meeting could be held. The ad will advertise lessons beginning August 8th.
- ❖ Lynne wants to look into the possibility of renting rooms for tournaments at the IP since it is under new ownership (Boyd Gamming). Paul will check on the new sales management.

Paul moved to adjourn the meeting. Mike seconded the motion. The motion was passed by members present.

The meeting was adjourned at 5:08 p.m.

Respectfully submitted by  
Lydia White
